Commissioner for Patents

Applicant's representative, Mr. John Heal, called the examiner in response to the Notice of Allowance mailed on 1/12/2010 in which the examiner indicated that a substitute Oath/Declaration is required because it was signed by not dated. Mr. Heal pointed to section 602.05 of the MPEP which states that the Office no longer requires that the Oath/Declaration be dated, and indicated to the examiner that no substitute Oath/Declaration should be required. The examiner reviewed section 602.05 of the MPEP, and agreed with Mr. Heal. Therefore no substitute Oath/Declaration is needed, and the application is complete.
